Adadolisdi

An interspiritual church of grace, peace, and mercy.

We do not sell, rent, or share your personal information with other institutions without your explicit consent. We may share your personal information only if we have a good faith belief that access, use, preservation or disclosure of such information is reasonably necessary to (a) satisfy any applicable law, regulation, legal process or enforceable governmental request; (b) enforce applicable Terms Of Use, including investigation of potential violations thereof; (c) detect, prevent, or otherwise address fraud, security or technical issues; or (d) protect against imminent harm to the rights, property or safety of us, our users or the public as required or permitted by law. We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure, or destruction of data including internal reviews of our data collection, storage, and processing practices and security measures, as well as physical security measures to guard against unauthorized access to systems where we store personal data. Unless explicit permission is obtained from you, we restrict access to personal information to our employees, contractors, and agents who need to know that information to operate, develop or improve our services. These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution if they fail to meet these obligations.

Data Integrity

We review our data collection, storage, and processing practices to ensure that we only collect, store and process the personal information needed to provide or improve our services. We take reasonable steps to ensure that the personal information we process is accurate, complete, and current, but we depend on our users to update or correct their personal information whenever necessary.

When you use any of our services, we make good faith efforts to provide you with access to your personal information and either to correct this data if it is inaccurate or to delete such data at your request if it is not otherwise required to be retained by law or for legitimate service purposes. We ask individual users to identify themselves, and the information requested to be accessed, corrected or removed before processing such requests, and we may decline to process requests that are unreasonably repetitive or systematic, require disproportionate technical effort, jeopardize the privacy of others, or would be extremely impractical (for instance, requests concerning information residing on backup storage), or for which access is not otherwise required. In any case, where we provide information access and correction, we perform this service free of charge, except if doing so would require a disproportionate effort. The procedure to correct or remove your data will vary depending on the requested change. To request that your account be deleted, please contact grace@adadolisdi.org
